

### **Personal Information:**

Name: Ali Hasan Ahmad Handam.

Date of Birth: October 31, 1969.

Nationality: Jordanian.

Martial Status: Married

E-mail: [alihandam@YAHOO.com](mailto:alihandam@YAHOO.com)

Mobile: 0775617136

### **Qualifications:**

■ B.Sc. in Statistics, Yarmouk University, Jordan, 1991.

■ M.Sc. in Statistics, Yarmouk University, Jordan, 1998.

Thesis entitled: " On Some Queueing Systems with Two Types of Service "

Supervisor: Dr. Kailash C. Madan

■ Ph.D. in Mathematics (Algebra), The University of Jordan, Jordan, 2008.

Thesis entitled: "Special Elements in Group Rings of a Cyclic Group over a Boolean Ring".

Supervisor: Prof. Hasan Al-Ezeh.

### **Teaching Experience:**

Sep 2016 – present Associate professor Department of Mathematics, Al al-Bayt University, Jordan.

Associate Professor: Sep 2015- Sep 2016, Department of Mathematics, Hashemite University, Jordan. (sabbatical leave).

19/10/2013 – Sep 2015 Associate professor Department of Mathematics, Al al-Bayt University, Jordan.

7/9/2008 – 18/10/2013 Assistant professor, Department of Mathematics, Al al-Bayt University, Jordan.

23/11/2006 – 18/8/2008 Statistics Division Ministry of Education (Jordan)

30/8/1994 – 22/11/2006 Mathematics Teacher Ministry of Education (Jordan)

### **Skills and Qualifications:**

■ International Computer Driving License (ICDL), (2002).

■ Intel Teach to the Future, 160 hour, (2005).

## TEACHING EFFECTIVENESS IN Al al-Bayt University:

Graduate Level:

- Math 742: Rings Theory

Undergraduate Level:

- Math 101: Calculus I
- Math 102: Calculus II
- Math 241: Linear Algebra I
- Math 251: Logic and Set Theory
- Math 271: Finance Mathematics
- Math 342: Abstract algebra I (Groups Theory)
- Math 343: Graphs Theory
- Math 344: Number Theory

- Math 441: Linear Algebra I
- Math 442: Abstract Algebra II (Rings Theory)
- Math 434: Stochastic Process
- Math 331: probability theory

## MASTER'S THESIS SUPERVISION

- Supervisor of MS thesis titled (Some classes of nil clean rings)
- Supervisor of MS thesis titled (Invo-clean rings associated with central polynomials)

## Other Scholar Activities

- Evaluation committee for more than 20 MS thesis in Al al-Bayt University
