Dear All,

Greetings from the Embassy of Japan in Jordan,

We hope this email finds you well.

We are pleased to share with you that the application for the Japanese Government (MEXT) Scholarship 2027 is now officially open.

This prestigious scholarship offers outstanding students the opportunity to pursue their studies in Japan, providing full support and access to high-quality education and research environments.

We would highly appreciate your kind support in sharing this opportunity with your students and encouraging eligible candidates to apply.

Please find attached the official announcement post. For full details, eligibility criteria, and application guidelines, kindly refer to the following link:

<https://www.jordan.emb-japan.go.jp/>

We look forward to the participation of talented students from your university and to further strengthening academic exchange between Jordan and Japan.

Thank you very much for your continued cooperation.

Regards,

Cultural Section
